- In the Matching tab, select Disabled **(!)**
- Return to the main driver window and select the Page Setup tab **(4)**
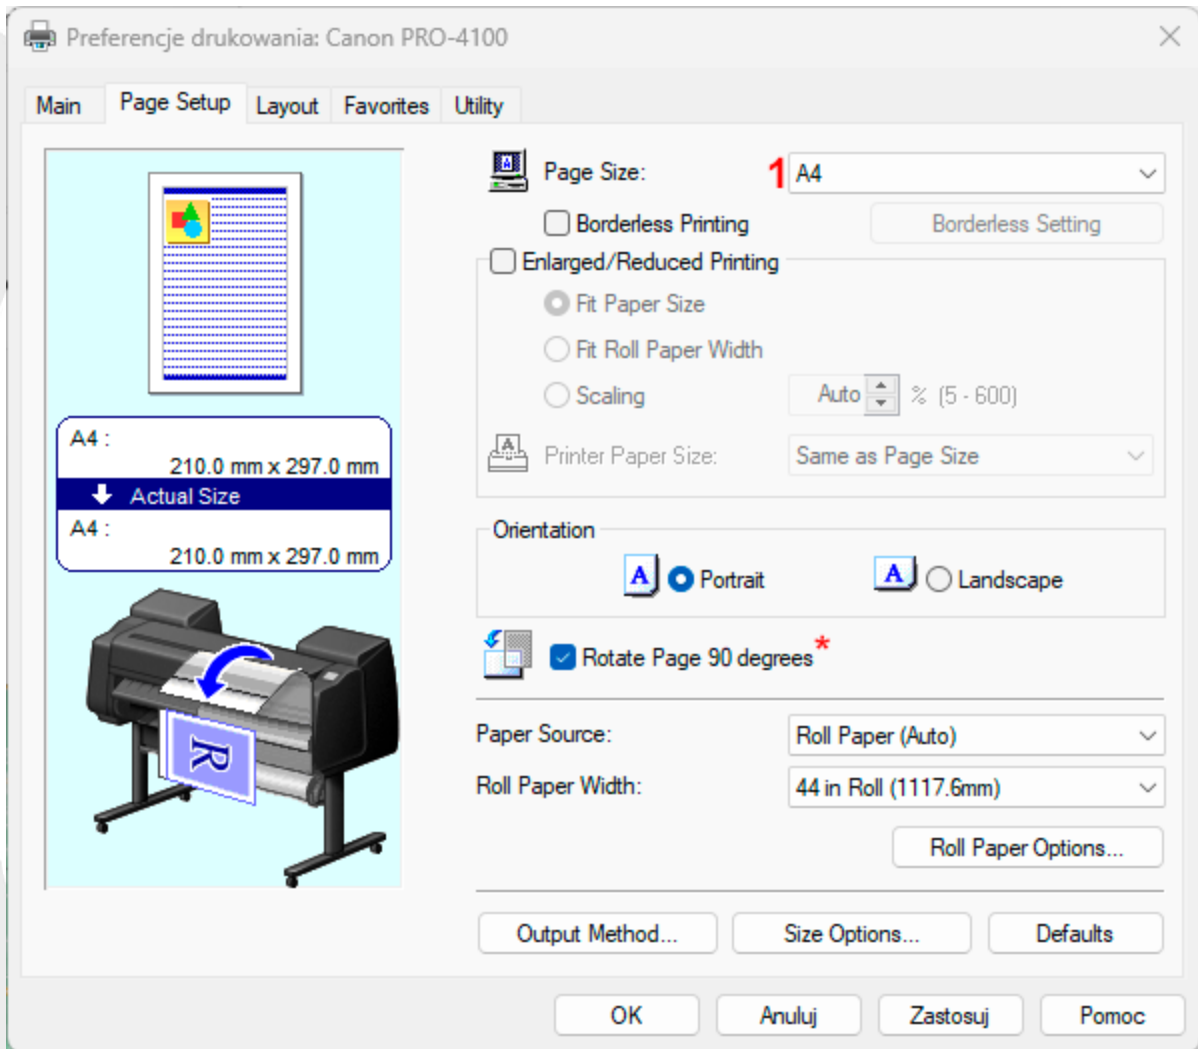

- Select A4 in the page size selection menu **(1)**
- To save paper, you can check *Rotate Page 90 Degrees* **(*)**

Ustawienia sterownika dla drukarek firmy Epson

- Select the *Media Type* appropriate for the paper loaded in the printer **(1)**
- In the *Color* option, make sure that color printing is selected **(2)**
- In the *print quality* menu, select the maximum available quality **(3)**
- In the color management mode selection menu **(4)**, select the *Custom* option and select Off (*No Color Adjustment*) from the drop-down list **(!)**
- Select A4 as the page size **(5)**

Principles of description of printed color charts

On the reverse side of each printout, add the following information:

- Printer model
- Type of ink used (for example: OEM, Solution)
- Type of substrate (for example: Solution Luster RC 255)
- E-mail address to which the completed profiles are to be sent.

Please pack the printouts in an A4 envelope, stiffening it with, for example, cardboard and send it to the following address:

Falter Sp. z o.o.
Ul. Poznańska 69
62-045 Pniewy
With a note: ICC profiles - do not bend !!
